INTRODUCTION

Is your printer out of ink? Consider using this guide to replace the ink cartridges in your printer.

Step 1 — Ink Cartridge
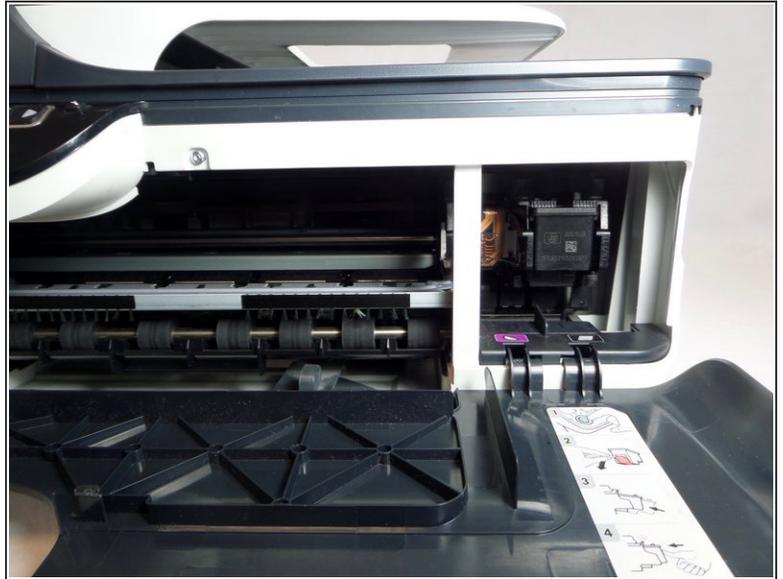

- Insert 2 fingers in the dent on the right side of the printer and pull towards the front of the printer.

Step 2
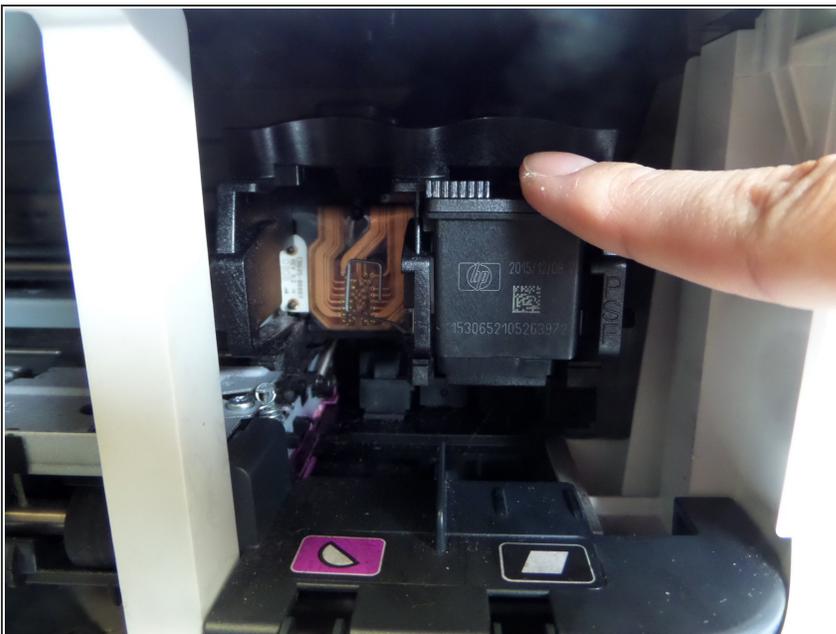

- Use a finger to push down on the top of cartridge.

Step 3
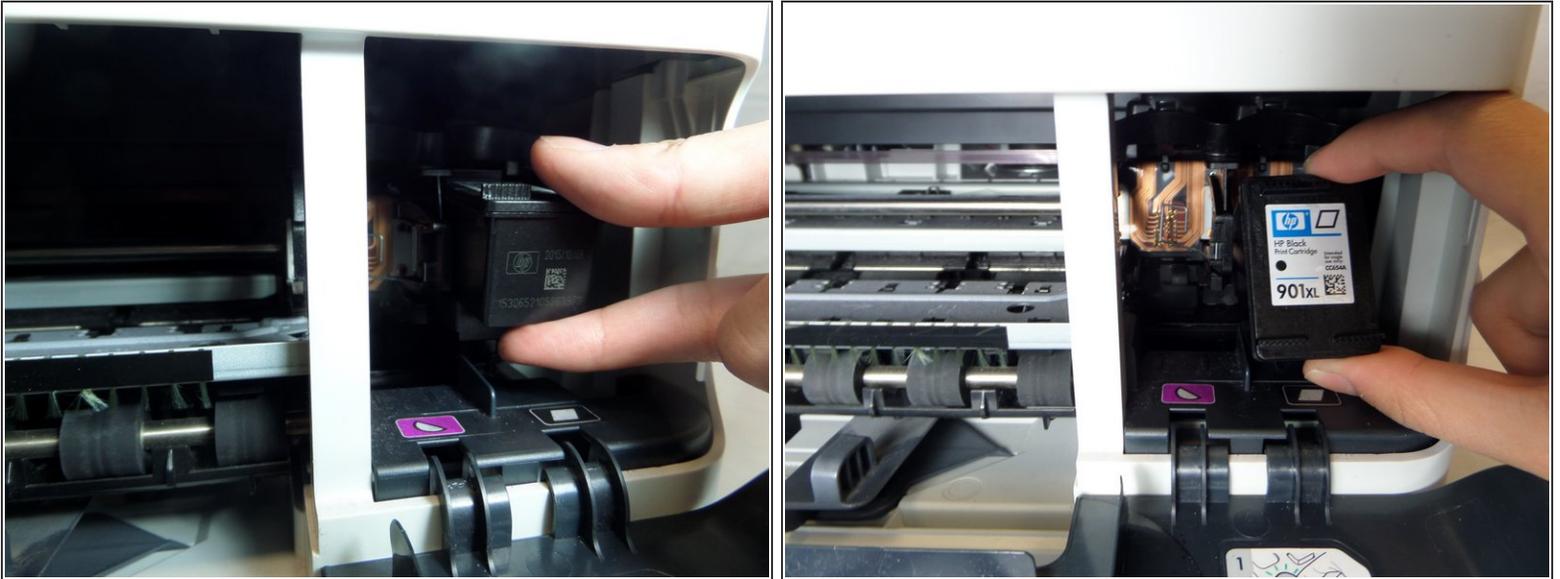

- Pull the cartridge out towards the front of the printer.

To reassemble your device, follow these instructions in reverse order.
