

# Apple Wireless Keyboard A1314 Battery Replacement

Replace Old / Worn Batteries in Your Keyboard

Written By: Chonker

## TOOLS:

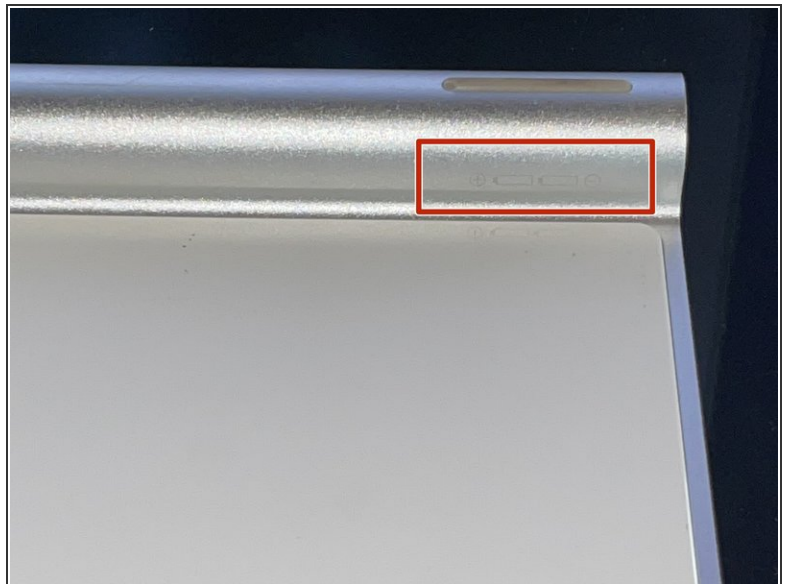

- [iFixit Opening Tool](#) (1)
-

## Step 1 — Remove The Cap

- Using a flat object that fits into the slot, twist the cap clockwise to unscrew.

## Step 2 — Slide Old Batteries Out

- Tip the keyboard so the batteries slide out.
- Please dispose of your batteries responsibly.
- When inserting your new batteries, flip the keyboard over and look behind the foot by the battery compartment for battery direction.
