

Samsung Galaxy Note10 Plus 5G Back Glass Replacement Replacement

Written By: Claudia P

 **TOOLS:**

Suction Handle (1)
iOpener (1)

 **PARTS:**

Samsung Galaxy Note10+ 5G Back Glass
(1)

Step 1 — Back Glass Replacement

- Start off by taking the stylus pen out of the phone.

Step 2

- Heat the back glass of the phone in order to soften the adhesive.

Step 3

- Apply the suction cup and pull up on the back glass. If you cannot get the back glass off, reheat it, then repeat this step.
- Carefully insert the pick and pry up on the back glass.

Step 4

- Remove the back glass.

To reassemble your device, follow these instructions in reverse order.
