INTRODUCTION

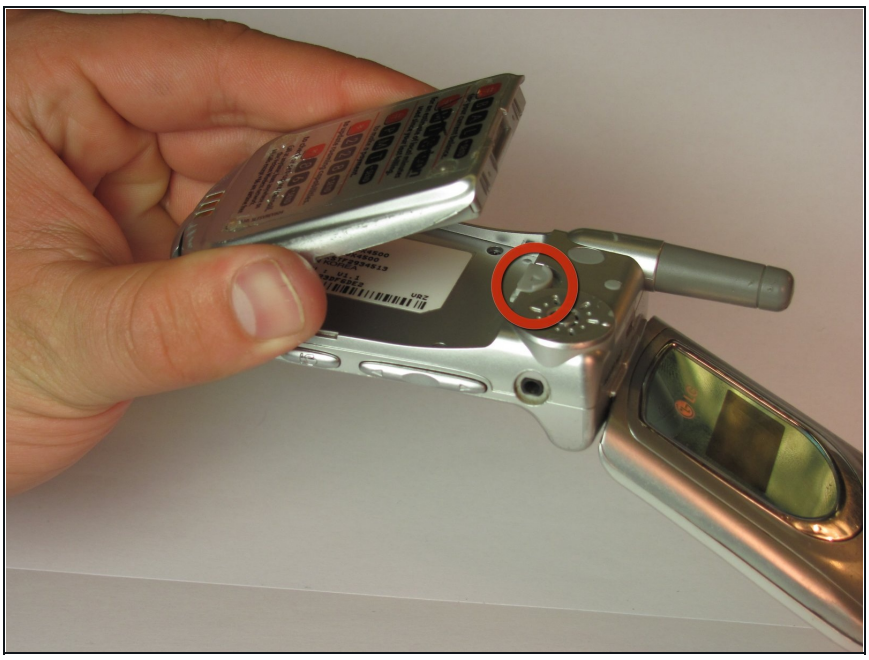
For removing the battery on the LG VX4500, follow this guide.

Step 1 — Battery

⚠ Before removing the battery, ensure that the phone is turned off.

- To remove the battery from your LG VX4500, turn the phone so that the back panel is showing.

Step 2



- Pull back on the white release tab and lift up the the entire battery.

Step 3

- The back panel should now be fully accessible.

To reassemble your device, follow these instructions in reverse order.
