

LG VX7000 Battery Replacement

How to replace the battery in a LG VX7000 phone.

Written By: Nichole Shaw

INTRODUCTION

Use this guide to remove and replace your LG VX7000's battery.

Step 1 — Battery

- Lay the phone, screen side down, in your palm.
- Slide the grey button towards the top of the phone.

Step 2

- With the button unlocked, grab the battery on the sides and pull up, then slide the battery up to completely remove it from the phone.

To reassemble your device, follow these instructions in reverse order.
