INTRODUCTION

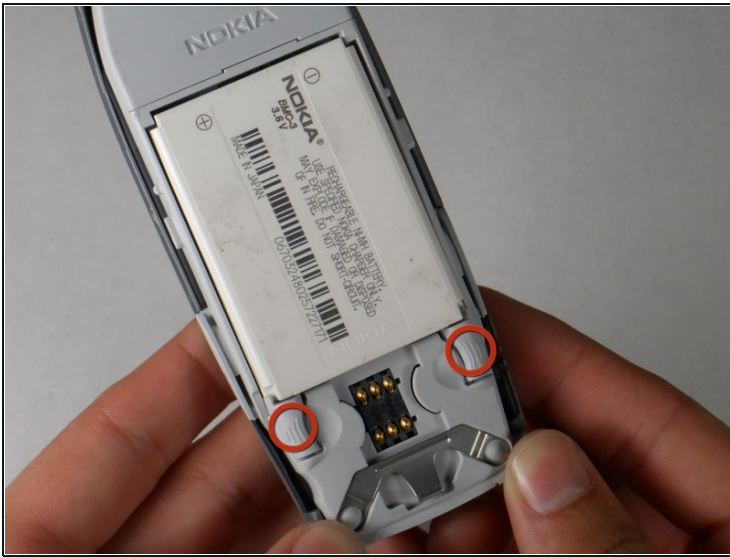

The battery is simple to remove, and only requires your hands.

Step 1 — Back Case

- Turn the phone off.
- Hold the phone, and gently press the white button located at the bottom of the phone.
- While pressing the button, slide the back plate upwards, opening the plate.

Step 2 — Battery

- Locate grey buttons beneath battery (shown).
- Spread buttons simultaneously away from each other and the battery will pop out.
- Remove battery from phone.

To reassemble your device, follow these instructions in reverse order.
