Step 1 — How to unlock the HTC Desire 510

- Insert another operator sim card.
 - The Phone should now request SIM network unlock PIN. Type in your unlock code.
 - If you are the owner of the phone, you can ask your network operator for an Unlock code, otherwise you can buy an Unlock code from the Internet.
- i** Each code is individual, based on the device IMEI.

To reassemble your device, follow these instructions in reverse order.
