INTRODUCTION

This guide gives steps to locate where the batteries are and how to properly remove them for replacement.

This document was generated on 2020-11-22 08:30:35 AM (MST).

Step 1 — Battery

• To open the battery compartment, slide the main bottom button to the right and up.

Step 2

• Remove the dead or damaged batteries from the compartment.

To reassemble your device, follow these instructions in reverse order.
