

Cirago M9030 Cover Replacement

This is a replacement guide for the Cirago...

Written By: Ryan Sutardji

INTRODUCTION

This is a replacement guide for the Cirago M9030 Cover. The following steps will guide you in the dismantling and rebuilding of the cover as well as a replacement.

TOOLS:

Phillips #00 Screwdriver (1)

Step 1 — Cover

- Use a Phillips #00 screwdriver to unscrew the four 1.1mm long screws on each corner located at the top of the cover.

Step 2

- Similar to the last step, flip the cover over and use a Phillips #00 screwdriver to unscrew the four 1.1mm long screws on each corner located at the bottom of the cover.
- Remove the warranty sticker across the bottom.

Step 3

- Gently take the cover apart using your hands separating the top and bottom.
- The outer shell is expected to easily come apart.

In order to reassemble your device, follow these instructions in reverse order.
